

# The Language of Learning

I will use these words when describing my learning.

try out	wonder	suggest	test	share
think	remember	keep trying	explore	take turns
solve problems	work out	show others	be a good team member	suggest
concentrate	choose	decide	solve	create
test	check	plan	express feelings or thoughts	notice
make connections	improve	consider others	look for patterns	estimate

Today I was describing an important event from Scotland's past and explaining how that has had an impact on the development of Scotland.
