**Senior Phase
Preliminary
Examinations
January 2017**

Senior Phase Preliminary Examination 2016-2017

Prelims will only take place at **National 5, Higher and Advanced Higher Level** and will be held between 9th – 23rd January 2017.

Prelims will be carried out in usual class time (with a few exceptions). Prelims will take place in classrooms (unless otherwise stated). A timetable has been compiled to minimise the numbers of multiple prelims on the same day. Please liaise with teachers for timings of Advanced Higher Prelims which are not detailed here.

In the case of long National 5 and Higher courses – Prelims have been allocated 1 double period. In short National 5 courses, prelims have been split over 2 periods.

Please note, some subjects are not carrying out a prelim in this diet but students will sit exam practice assessments in class throughout the February, March and April.

Students should read through the Prelim timetable and highlight the examinations which are applicable to them.
