East Lothian Schools' Cross Country
Anyone interested in taking part in the East Lothian Schools' Cross Country should come to a meeting in the Mirror Gym at morning break on Monday 7 March.

All Pupils
Well done to the East Coast FM School Bell Team who were involved in the Fundraising Coffee Morning last Saturday in North Berwick. It raised £664!

Attention all pupils who use the canteen
Please play your part in keeping our school environment pleasant and safe by ensuring all rubbish goes into bins at the end of break and lunch, and plates and cutlery are cleared away responsibly. It is our collective responsibility to do this and I would very much appreciate you giving this your attention as a matter of urgency. Staff on canteen duty will be providing regular reminders to tidy up but it would be nice if it was a more automatic process.

Smalls for All
This year, the International Committee is supporting Smalls for All, a charity organisation which collects underwear and bras and donates them to schools and medical clinics in Africa, which many kids and young women cannot afford. Something as simple as a few pairs of underwear can help communities by improving hygiene, social standing, gender equality, and education. Please contribute packets of new children's or ladies pants or gently used bras and drop them off at Interview room 2 up until the Easter Holiday.

All S1 pupils
The final date for handing in forms and deposits for the S2 Snowsports trip is Friday 4th March. Both need to be handed in to secure a place and no deposits are accepted after this date. Please see Mrs Bloomfield if you need more information.

S3 Normandy Trip
Hand in your EHIC card to Miss Auchnie in RME 2. Details on how to apply for this online (if you don't already have one) are in your trip information letter.

S3 Normandy Trip
Hoodies have now arrived, please collect from Miss Auchnie in RME 2

Study Skills Support
Are you disappointed at your prelim results? Do you spend hours 'studying', 'working' on your subjects but you do not seem to be able to learn? Then come along to a drop in session on Tuesday lunchtime 1.15 to 1.40 in the Pupil Support/Guidance classroom, where you can get some support with your study skills which will hopefully lead to better results. Bring your lunch along for an informal session which may help you to pass or improve your results in tests and assessments, you never know if you do not try!
Looking forward to seeing you. Mrs Andrews
**English Study Support**
Please note that supported study in English takes place on Wednesdays after school in English E1. All are welcome to attend. Even if you need only a few minutes of advice, come along and potentially boost your chances of success at Nat 5 and H.

**Attention all smokers**
It has been brought to the attention of the Senior Management Team by pupils (both at NBHS and Law PS), parents, staff and members of the community that a group of young people are smoking in clear view of younger children on the way to school in the morning. While choosing to smoke, over the age of 16, is a lifestyle decision, choosing to do so in front of younger, impressionable primary pupils is completely unacceptable. Those identified as taking part in this behaviour will be spoken to and concerns communicated to parents. The Healthy Respect drop-in service is available to all who wish to change their lifestyle - Wednesday lunchtimes in Interview Room 4.

**Chess Club**
The school chess club meets every Thursday in Bus Ed 2 from 1.10 pm onwards. Everyone from experienced players to those looking to learn are welcome.

**S4/5/6 Career Opportunities**
Please see the notice board at the stairs up to the Guidance base for regular updates.

**All Pupils**
The Healthy Respect Team are available on Wednesdays at lunchtime (next to Guidance room) to help with any health concerns from sexual health to substance use to any other worries you may have.
