Dear Parent/Carer

### **S1-6 Curricular Parents' Evening, 21 September 2017 7.00-9.00 pm**

I am writing with news of our forthcoming Curricular Parents' Evening on 21 September. The aim of this evening is to allow families to find out more about the way in which we operate our curriculum, with a particular focus on the skills and the abilities we are trying to develop in our students, and the ways in which parents/carers can best support their children to achieve success.

After a brief 15 minute presentation in the Assembly Hall families will have the opportunity to visit subjects and departments in Curricular Areas in their own order of priority, where they will receive updates on what each area is trying to achieve through its curriculum and how parents/carers can best support their child in maximising learning opportunities. Each Curricular Area will choose their own way of engaging with families, and there will be separate advice points for those who wish to concentrate on either the S1-3 curriculum, the S4-6 curriculum or both.

This year we are also providing a marketplace where families can find out more about our wider curriculum offer, including extra-curricular activities, student support programmes and a wide variety of learning initiatives.

We recommend that students accompany parents/carers to this event, because we think that the quality of conversation between families and teachers is improved when this happens.

To log in to the system you will need:

- Your title and surname (these must match those we have on record for you)
- Your child's first name, surname and date of birth

To assist your preparation, the full programme will be distributed to families on 19 September. I very much hope you will be able to join us at an evening which promises to be lively, stimulating and worthwhile. Do please contact the school if you have any further questions about this event and I look forward to meeting you.

Yours sincerely
