

Dear Families

### **Wood of Wonder (WOW) Thank You & Update**

Last Saturday some families came together to give the WOW a tidy and make it safe enough for our children to use throughout the school day. It had been closed up to that point. Two full skips later the area has been cleared of: some of the rocks, overgrown bushes, rotten wood, palettes and holes were filled. A huge thank you to all those who contributed to this effort. We are now looking at what we can do to enhance this area further. We need to keep this simple given the competing demands on school time in the current conditions and based around what the children need and want. We are consulting with our pupils on this and indeed if parents and carers have any ideas on how the space could be developed in a sustainable way please get in touch with the school office.
