Dear Parent/Carer,

The months have just flown by and we are now into the last few weeks of the school year. We have a busy time ahead of us as the morning children prepare for their sport's day and continue to participate in different activities as part of their nursery to school transition. The dental nurse will be visiting us shortly to discuss healthy food options for your child to take as a snack for Primary 1.

Thank you to everyone for your support over the last year and we wish everyone a fantastic summer holidays.

	<p><b>Our Learning...</b></p> <p>The children have been fascinated watching our caterpillars grow and form into a chrysalis. We look forward to watching butterflies emerge.</p> <p>We have also been learning about castles and comparing the lifestyle differences. The children have enjoyed creating their own castles through block play.</p>
	<p><b>Sports Day- Reminder!</b></p> <p>The morning children's sports day event will take place on Thursday 13<sup>th</sup> June at 10:30am (weather permitting). Parents/carers and extended family members are welcome to come along and support their child.</p>

	<p><b>Beach trip- Reminder!</b></p> <p>Both our morning and afternoon groups are invited to join the nursery team at Yellowcraigs Beach, Dirlerton on the 27th June at 9.30am until 12.30pm. The nursery will provide a picnic lunch for their children but parents are asked to bring lunch for themselves and any siblings they may bring along. Aberlady staff will lead games and a treasure hunt etc. but parents will be responsible for the safety and behaviour of the children during the trip.</p> <p>Pupils will need to be transported by parents – if you can't take your child, please feel free to buddy up with another parent but they must agree to be responsible for your child on the day. If you are not able to make this arrangement, please let our nursery team know, we don't want any child to miss out.</p> <p>Please note there is a £2 parking charge at Yellowcraigs beach carpark.</p> <p>We hope the weather is good to us, please feel free to bring buckets, spaces, towels etc. There will be no afternoon nursery session on Thursday 27th because of this trip.</p>
	<p><b>Stick Insects</b></p> <p>Our stick insects are in need of a home for the summer holidays. If anyone is interested in caring for our stick insects then please speak to a member of the nursery team.</p>
	<p><b>Thank You!</b></p> <p>Thank you to Fraser Robertson (Duncan's dad) for collecting furniture from a nursery in Edinburgh for us. We now have more storage to organise our resources for the children.</p>
	<p><b>Nursery Bags</b></p> <p>During the last week of term we ask parents/carers to empty their child's nursery bag and take home any coats and wellington boots.</p>
