Newsletter Coronavirus Special Issue 2 May 2020

Hello everyone,

We have been in lockdown for many weeks. I am sure you are all missing your usual visit to the centre.

Through all of this our staff have been magnificent in bringing to those that we support much needed contact, food, cheer, personalised cards and birthday treats.

Indeed they went the extra mile in remembering VE Day.

We have been supporting each week day 22 people including members, volunteers and partners who were in need of additional care.

At the same time some of our volunteers have been contacting members by phone just to have a chat and keep in touch. If you'd like a call please let us know. Remember you are not alone. Keep in touch and keep exercising as best as you can.

VE Day Remembered

So many of our members will remember VE day. Who would have thought that the words of Dame Vera Lynn's, *We'll meet again*, would have such significance for us in 2020.

As ever the Day Centre Team went above and beyond to make the packed lunches special. A commemorative booklet, 'We'll meet again' label, bouquet and VE day biscuits were all part of the lunch bag.

Beautiful bluebells and rosemary for remembrance

Gorgeous home baking, VE 75 icing

Just some of the items that made up the VE lunch bags

Paul, our driver, who designed the VE day booklet. He is holding a rainbow sign saying 'Miss You'. The blue tits are back and sitting on 6 eggs

Laurie, enjoyed singing when she found the words to 'We'll meet again' in the booklet

John, another happy customer

Iris enjoying the VE booklet

Vee always has a smile for the Day Centre Team. Climbing the stairs is part of her exercise
