Return to 1140 hours

Dear Parents and Carers,

We are thrilled to share that from Tuesday 22nd September 2020 we will be moving back to our 1140 hour model. This means that children will be able to attend the nursery 5 days a week.

The measures put in place to reduce the risk of infections spreading will continue to be followed in the nursery along with the school. Part of these arrangements is the staggered starting and closing times alongside the school. We will be operating with the following drop and pick up times:

Day	Drop Off Time	Later Drop Off Time	Early Pick Up Time	Normal Pick Up Time
Monday-Thursday	8:30-8:40	9:10-9:20	2:30-2:40	3:00-3:10
Friday	8:30-8:40	9:10-9:20	11:45-11:55	12:15-12:25

We will continue to operate a one-way system where children are brought to the nursery garden, dropped off into the nursery and parents then exit through the top playground. We ask that you maintain a 2m physical distance from other adults and children in the playground. Once children have been dropped off or picked up, families should promptly leave the school area.

It is worth noting that if there is an increase in covid-19 infections we may need to move back to the previous arrangements. In that case, the days that your child has been in nursery for this first month will be their set days.

If you have any concerns or questions about these changes please speak to the nursery team or Mr Brown to discuss these further. We are very proud of how the children have joined or returned to the nursery and the learning we have already seen. We would like to thank you for all your help and support in making this such a successful return.

Yours Faithfully

Stewart Brown

Headteacher
