

Wider Achievement

We are very aware that lots of learning happens outside of school and as a school we want to encourage pupils to share their experiences and successes.

Therefore we would like to ask parents and carers to help us keep up to date with all the incredible activities and challenges that your children have been involved in.

OUR AIM

To enable children to be recognised for and to celebrate successes in their wider achievement.

In school children will be:

- Encouraged to share their successes out with school
- Given the opportunity to share 'what' they learned/achieved.

There will be an emphasis on developing the vocabulary of achievement to enable children to be fully aware of what kind of success they have experienced.

If your child has been involved in something that you would like us to know please complete the tear off slip and return to school.

Child's name:

Class:

Category of success/achievement – please tick
