Home and school working together to support children's development.

HOME

You are the first and ongoing educators of your children and we would like to support by ensuring that where required we can provide information and support to help your child's learning at home and in the community.

REPRESENTATION

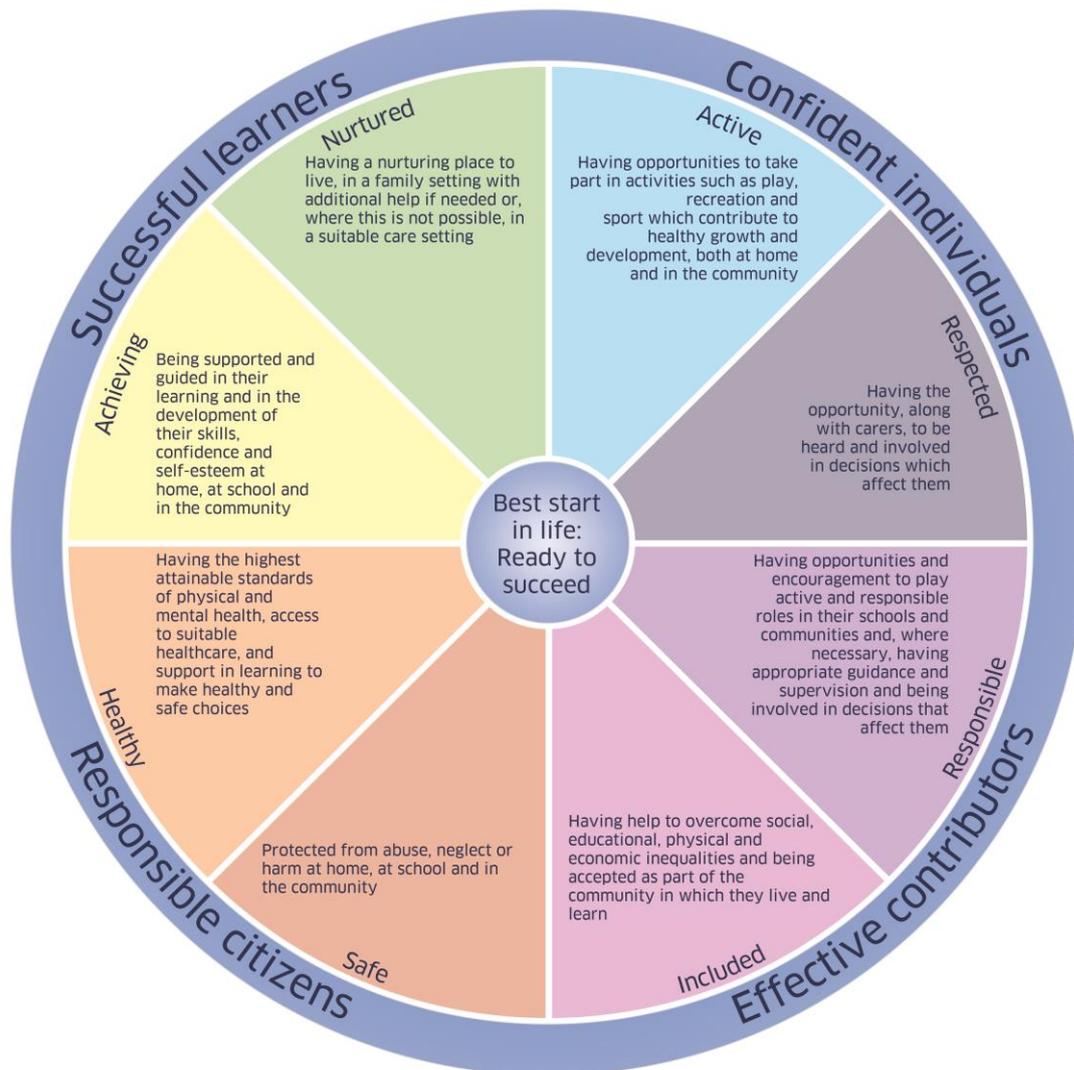

Your views are important to us and we want to ensure that your voice is heard when we shape and create policy that affects the education of your children. All families belong to our **Campie Community** and your views can be represented through our Parent Council.

PARTNERSHIP

We wish to ensure that Campie Primary School actively promotes opportunities for all families to engage with what we are doing in school and your child's learning.

Our Curriculum for Excellence promotes home and school working together to ensure our children become successful learners, confident individuals, responsible citizens and effective contributors.

In **Getting it Right for Every Child** we aim to ensure that all children are:

MEET THE STAFF

1st September 2016

There will also be some resources and activities that your child may use in class on display so feel free to browse and ask any questions. It is an informal evening, explore the school – visit the library, our computer suite and even have a peep in the gym hall if you like!

Miss Elgin will be available to talk about our approach to literacy in the early years too. Please be aware that this evening is not a formal consultation meeting. **If you do have any particular concerns or questions specific to your child's progress, please contact the school to arrange a meeting.**
