

Welcome to the new term!

We hope everyone had a wonderful break and are rested and ready for all that this new term brings.

As many people do at the beginning of a New Year we reflect and think about what we would like to do to improve for the coming year. This year following on from training that we received from [Pivotal Learning](#) and from reading the text 'When the Adults Change Everything Changes' by Paul Dix we have streamlined our approach to supporting positive behaviour. As a result we have introduced '**The Campie Way**.' This brings together all the different aspects of our expectations for developing a positive ethos including our vision and values into a single page guide. (See attached)

Our new Astro Pitch is a big hit! Children have been enjoying both time on the pitch at breaks but also during PE sessions. As leaders of learning the children have been proactive and have ensured that the play is inclusive. Many classes have adopted a rota of different activities to ensure there is a range of different options e.g. basketball, football, 'Chill Out' time and rugby.

Our Play Pod has been closed for a short while. We are in the process of replacing the access ramp with a new and safer version. Hopefully it will be open again soon. Thank you to our Parent Council who have donated the funds to have a section of our Trim Trail replaced. The Trim Trail is also a firm favourite and it will be wonderful to have the circuit complete once again.

In these darker evenings our Junior Road Safety Officers are thinking about how we can stay safe. Their current message is:

Be Safe Be Seen

Fuel for Learning

You may remember a while ago our Pupil Council launched a campaign to encourage healthy snacks at school. Please encourage our learners to bring healthy choices for snacking during the school day and have water in our water bottles. We have new water fountains installed and children can top up their flasks and bottles throughout the school day.
