

15th September 2021

Dear parents and carers

Hope you enjoyed sharing and discussing the information in your child's Google Classroom and that it provided an insight into what learning your child is or will be experiencing. I hope too that the little bit of information about the team that supports learning and teaching helps you to get to know us a bit better while we are not able to meet in person.

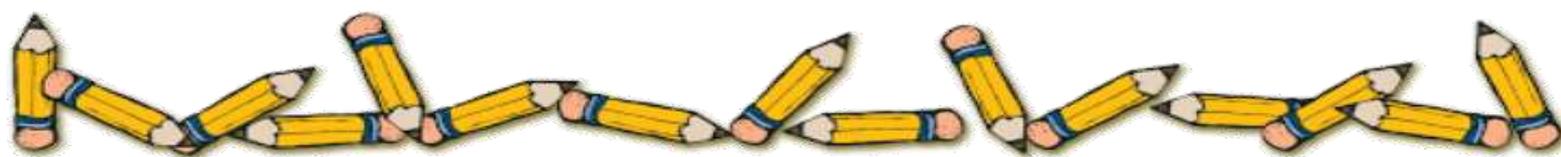

Covid19 Update

The update yesterday from Scottish Government advised that the mitigations we have in place will continue for the time being. You can read more about this [here](#).

P1 Buddies

Our Primary 7 pupils will take on additional responsibilities this week when they introduce themselves to their Primary 1 Buddies. Our oldest pupils have already shown how caring, nurturing and respectful they can be. We are so proud of them and they are so excited to meet their Buddies and to begin to support them in class and in the playground.

Lost property

Our lost property is regularly full to the brim and I'm sure that as parents you must be frustrated if your child returns home without their belongings!

Please help us to return clothing and belongings to their rightful owner by labelling everything. It is an almost impossible task to do this successfully if we have lots of identical looking sweatshirts!

Change of date

Our Parent Council Meeting has changed to **Wednesday 22nd of September at 7pm**. Everyone welcome 😊

Autumn break

Please remember that school is closed Friday 17th and Monday 20th of September. All resume Tuesday 21st September. I hope that everyone has a lovely long weekend.

And finally. . .

Just before the weekend, I wanted to share with you my gratitude.

Being the Head Teacher at Campie is a wonderful privilege. As a community we have faced challenges together. I am regularly buoyed by the kindness, respect, creativity and resourcefulness that is in evidence every single day.

Thank you to you as parents and carers for supporting us.

Thank you to the staff at Campie who care deeply about the work that they do and are committed to ensuring your children have a positive and successful experience at school and of course . . .

Thank you to your wonderful children who bring joy and so much to life at Campie, the reason we do what we do!

Kindest regards
