

Campie Parent Council Meeting – Wednesday 8th May 2019

Attending	Sarah Robson (DHT) Lydia Kerr, Jenna McBirnie, Laura Munro, Carla McShane, John Williamson, Kirsteen Wishart, Shona Blakeley (Chair) Pauline McKay (HT) Clare Paterson (Treasurer)
In attendance	
Apologies	Jane Liggat, Nadine Lowrey, Tansy Clark, cll Stuart Currie, Cll Forrester, cll Katie Mackie, Elizabeth Hunter, John Gilligan

Serial	Agenda item		Action
1	Welcome and apologies	Shona welcomed everyone to the meeting and everyone introduced themselves.	
2	Minutes of last meeting	not approved as not enough members had seen them. Carried forward to next meeting	
3	Matters arising	Fair licence - this has been purchased. Jackie Campbell happy to run the car boots to help pay for the licence. Survey monkey - ideas still being collated. All suggestions to come via the clerk. Sharing of school tool kit - free down load as a pdf but you need to register. Accessed via the National parent forum.	
5	AOB	<p>The toilets in school are not in great condition... Doors not working properly or no toilet roll etc. feedback is that children are trying not to use the toilets during the school day. The school is aware and it's an ongoing issue and although the toilets are being regularly checked perhaps the children need to also inform the staff when there is an issue.</p> <p>Supervision in the playground was raised - seems like there needs to be more staff in the playground during breaks. Or that they need to be in different areas and not in a group. Pauline McKay advised that the SLT are trying to be in the playground more, especially during loose parts play. Adults with a PVG can volunteer to help out in the playground.</p> <p>New houses at Queen Margaret catchment is Whitecraig - concern over boundaries.</p> <p>Kirsteen Wishart has raised concerns over the notice given for the parent consultations and other events like sports day. P. McKay wasn't aware that a 'save the date' hadn't come out earlier. This was an oversight and isn't common practice and will ensure that dates are announced as far in advance as possible - ideally start of term.</p> <p>Shona is looking for more volunteers to attend the consultations week to run a stall with information on the parent council, Easy Fundraising, School Lottery, applying for free school meals and PEF funding consultation.</p> <p>Sarah Robson requested volunteers to man the bookstall during</p>	<p>Janitor is being made aware. And raising awareness with the children that they need to inform the janitor if there is a problem. P McKay to look into volunteering policy.</p> <p>Susan to email all parent</p>

		<p>parent consultations. Volunteers also required for the coffee afternoon on 31st May. Shona would like a reminder to go out to play safely on the bike racks and to avoid any scooters or bikes that are chained up. Shona has expressed concerns about sharing personal opinions about the school via Whats App. This can be considered liable and if a screenshot is shared it could become a police matter.</p>	<p>council members. comms to go out to educate the wider forum</p>
6	Sub-group reports	<ul style="list-style-type: none"> • Fundraising Easter events went well despite being straight after the holidays. £105 raised. Traders licence has been bought for £292 and will last 12months. We have stalls planned for the fair and regular car boot sales to help cover this cost. seen The Summer Fair will run from 1 until 3pm on 1st June and we need a lot more Volunteers in order for it to run. First aiders also required. As the gym hall will be in use for the centenary display, stall holders will be located around the school corridors. Fundraising team will produce a handheld map of the fair layout so that visitors know where everything is located. • Social Inclusion Your Voice Your Choice - was a successful application and the money is going towards subsidising the panto and p7 camp. There is also £1000 to go towards parental engagement events. Hopefully something before the end of term. The first Inclusion group coffee morning a few weeks back was very successful and there were lots of new faces and it had a relaxed and chatty feel. The next one is on Monday 13th. The free school uniform rail is booming. Lots being taken and donated. Looking into running a shoe library with lots of different sizes of shoes. • Playground Container now in place, just some more graphics to be painted on to one of the sides. Traverse wall still closed off for now - waiting for Health and Safety adviser to do risk assesment and sign it off. Cut out area in front of the container is getting muddy during the rain so artificial grass is being laid down. Security lights are to go up outside the ASC - needs to go through ELC. Stage installation has drawn to a halt as joiner has hurt his back. Grass area and goals are still waiting to be signed off by the council. cll John Williamson to look into this for us. • Communications Lots of comms coming out for 100yrs. Fundraising and Inclusion groups are going out as well as calls for volunteers etc. • Grant writing Carla made a last minute application to Cala Homes that was unsuccessful but she has identified a few smaller ones - WHS has an initiative similar to Tescos. Also looking at Tesco bags for help. LTL (grounds for Learning) £500 for outdoor learning equipment and training - but needs to be applied for by the school itself. Also looking into the Mushroom Trust. 	
7	Treasurer's report and requests for funding	<p>Balance - £43,338 £4,500 and £9,500 just in from common good and Area Partnership funding. Camp and panto money still to be transferred over to the school and lots due to go out but just waiting on playground go ahead</p>	

		<p>from council. RBS bank manager has been in touch and is keen to get involved with the school fairs and providing internet safety talks at the school - mymoneysense.com Request for funding - £70 towards shoes for the inclusion group - approved</p>	
8	HT Report	<p>Children's University - cost associated with it so the school wont be taking that further. PEF funding has gone towards support for learning and ongoing projects - Breakfast club has been really successful and has sustained a steady number since the start. It is open to all to use. There are lots of children sitting around and chatting and has a really relaxed feel. This is something that they are hoping to keep going even once the PEF fund is no longer available. Campie connect will be in bags next Wednesday. Parental engagement will continue and at the start of the new session there will be an advance notice of what is happening for the whole term - learning programme, Campie Connect etc. 100yrs Celebration is coming up and the school is looking for all past and present Campie students to bring along memorabilia and artefacts about the school. Spread the word - the door is open to the school on the afternoon of Friday 31st from 1pm to 3pm to celebrate. There will be an exhibition. First draft of the Review Report has been received and will be proofed and signed off and then shared with the wider forum. This will then be used in evaluations in terms of the School Improvement Plans. Reduction on comms that can go out via Group Call. More communication is going out by email so that they dont use up their quota. Parent council have offered to buy 1000 group calls.</p>	<p>parent council to think of something to gift the children for 100yrs.</p>
9	Tabled information		
	Date of next meeting	Friday 7th June 9-10.30am - Campie Staff Room
