With a Barratt apprenticeship you'll not only get to work towards industry-recognised qualifications, you'll also get to experience practical on-the-job training with plenty of support.

To join us as an apprentice, you'll need to be good with your hands, good with people, and happy to work outdoors in all kinds of weather. Willing to learn and study, you'll have a good general education, ideally with GCSEs in Maths and English. Naturally, you'll also demonstrate enthusiasm, initiative and dedication. In return, you'll enjoy good rates of pay and benefits including 21 days holiday and a pension scheme.
