Apprentice Electrical Design Engineer

Posted On: 12 September 2017

Blackwood Partnership is a consultancy engineering company. We offer building and engineering services primarily within the construction sector of the industry. Based at our Atholl Place office, you will work as part of a small team to ensure the provision of an efficient and quality service to all our clients. We're looking for a motivated individual with a genuine interest in a career in engineering, if that's you then apply now! Closing Date: This job will close when a suitable candidate is found.
