An evening with RSM: consider your future in accountancy

RSM are delighted to invite you to our Edinburgh student open evening on Tuesday 8 October 2019 where you can learn more about RSM, the services we provide our clients, and the opportunities available to help you reach your career potential.

You will have the chance to find out more about our work experience, graduate and school leaver programmes from our current students and participate in a Q&A session.

What can you expect at our event?

Network: You'll meet all kinds of inspiring people; many of our RSM experts stood in your shoes just a short time ago. Our staff will be able to give you a real insight into their journey at RSM and will be more than happy to answer any questions that you have.

Understanding: You'll find out what working at RSM is like for our current students and learn about our various teams and the kind of work they do.

Get the edge: Our breakout sessions will be a chance for you to participate in interactive workshops providing you with valuable job application tips and techniques to help you succeed.

Why choose RSM?

We hope this informal evening will answer this question focusing on the student experience and additional opportunities offered but also giving you the opportunity to meet the team that you would actually be working with on a day to day basis.

Register by Friday 4 October, 12pm, by contacting:
