

# Foundation Apprenticeships

---

NORTH BERWICK HIGH SCHOOL

Mick Burns and Jennifer Jones  
CAREERS ADVISERS

## Some thoughts from S3 at North Berwick High, January 2020.

Have you heard of Foundation Apprenticeships before?

137 responses

### If so, where?

A talk in our assembly hall
Adverts on television
Assembly
At school
At school
At school
brother
Can't remember
Cousins
during my careers meeting
edf energy
Family
From friends
From my guidance teachers
From my parents talking about it
from people at school like the teachers
Guidance talk
Guidance Teacher
Guidance teacher
Heard it mentioned before
High school
High school PSE Talk
House
i dont know where but i feel i have heard of it

I haven't
In adverts
In class
in class talks
in classes
In guidance
In PSE
in school
in school
In school
In school
in the assembly
Last PSE period
Mr Stebbing
My brother
My family in a conversation

## Have you thought about Work Experience before?

137 responses

### What kind of job would you like to experience?

A job with a focus on computing technology as I like working with technology.

A scientific job especially linked to biology and zoology, as that is what I plan on taking further on in the school.

accountancy

Accountancy

Accounting

Acting

Aerospace engineer

Aerospace engineer

Agent

Agriculture

Agriculture/ Animals

Animal care

animals /sport

Any sort of art, makeup, design

Anything to do with animals or football

Archeology(History related) or something science related.

Architecte

automotive

Basketball Coaching

beauty or fashion or bussiness

Business

Business

Business or marketing something like that
Chef
Cooking
Design, architecture or engineering
Doctor, Forensic science, Zoology
Drama/theatre based
Either teaching or accountancy
Engineering
Engineering
Engineering/computing/math
Events management with my dad
Farming
Farming
Farming
Film production, business work like entrepreneurship or commercial piloting.
Fire service or working with special need children
fireforce
football
football
football
Forensic scientist
Forensics science
Geologist or sports coach or cartography
Hairdressing and or something to do with fashion.
Hairdressing or beauty
Helping animals and photography
i already help at a riding stables every week so probably just the same
i have a lot like an accountant or an archaeologist or someone to do with marine biology
I mean ideally a surgeon but don't think there are many courses for that so a Doctor would be great.
I still don't know
I'm not really sure yet but would like to do one in the future
I'd like to experience some with young children and some in the beauty industry
I'm not sure
i'm not sure
i'm not sure yet

interior design jobs/ creative/ design
