Archerfield offers a rewarding career in the hospitality industry. Not only are there excellent opportunities for every role and discipline to help you progress and develop your skills, but we also motivate our team with excellent rates of pay, outstanding benefits and generous holiday entitlements.

**BRIDGES PROJECT**

Bridges Project works with disadvantaged, disengaged and isolated young people aged 12-25 in East Lothian and Midlothian to help them manage the transition from adolescence to young adulthood and life beyond school. Our purpose is to assist young people to make a safe transition to adult responsibilities, including independent living, employment, further education and training.

The one-to-one and group work services at Bridges Project are flexible and tailored to meet the needs and ambitions of young people. Bridges Project assists young people to become successful learners, confident individuals, responsible citizens and effective contributors. Three practice teams deliver our work; Independent Living, Mental Health & Wellbeing and Education & Employability. They all provide bespoke, person-centred support packages that enable young people to fulfil their potential and go on to lead successful lives.

There are a number of opportunities within the British Army, as a soldier, you'll do a vital job making sure the Army operates smoothly and effectively, at home and overseas. It takes lots of different trades to run the Army, there are many jobs to choose from, all with training of the highest standard. Your hard work will be rewarded, because you're more than an employee - you're a valued member of the Army family.

ELCAP is a Scottish charity which provides care and support for individuals who are affected by learning disabilities, physical disabilities and mental health problems.

We have opportunities to join our dedicated team, supporting adults, children and young people. We assist the individuals we support with all aspects of daily living, enabling them to do the things that matter to them and achieve their full potential. And we work in a range of environments – in people's homes, in educational and workplace settings, and in our community.

We are passionate about making a real difference to the individuals we support, by enabling them to live better, more independent lives within our community. We are looking for people who share our passion to join our teams. Full training and induction period is provided as well as support of Continued Professional Learning. If you think it's cool to care, we would love to hear from you.

**The Data & Marketing Association (DMA)** is the driving force of intelligent marketing.

Guided by our customer-first principles enshrined in the DMA Code, we champion a rich fusion of technology, diverse talent, creativity, research and insight to set standards for the UK's data and marketing community to meet in order to thrive.

We deliver this mission through a fully integrated, classroom-to-boardroom approach that supports you, your team and your business at every stage of your development.

Through DMA Talent we create pathways for the next generation of marketers to emerge; our world-class training institute, the Institute of Data & Marketing (IDM), delivers learning at corporate and individual levels; and through the DMA we deliver advocacy, legal and compliance support, research, insight and a packed events calendar.

Edinburgh College is one of Scotland's biggest Further Education Colleges with over 700 courses from entry to degree level and professional training programmes. We work in partnership with over 2,000 employers to ensure our curriculum meets the needs of industry and provides our students with the best opportunities for employment.

Fidra [www.fidra.org.uk](http://www.fidra.org.uk) is an environmental charity working with governments, industry and the public to deliver pragmatic, evidence based solutions to prevent chemical and plastic pollution and support sustainability. Fidra is an SCIO and Scottish Registered Charity SC043895.

The Recruitment and Skills Centre (RSC) at Fort Kinnaird supports employers' current recruitment and staff development needs and also Jobseekers to gain and retain employment in the area.

Heriot Watt is a world-leading university with 5 campuses around the globe, educating leading professionals of tomorrow and generating pioneering research.

We are one of the country's leading providers of Graduate Apprenticeships, and we have a proud tradition of industry-focused education. Our degrees are highly regarded for their professional relevance and we have an excellent record of preparing students for successful careers.

**Queen Margaret University**  
EDINBURGH

You can go far with QMU: our courses offer the optimum balance of theory and practice, preparing you for a successful career. And with us you are much more

than a number, our friendly and supportive learning environment will give you a real sense of belonging and allow you to grow and thrive in your time with us.

Paris Steele is a traditional, yet innovative firm of lawyers with offices throughout East Lothian. Formed in 1926 we provide a broad range of legal services for individuals, families, and businesses. We firmly believe that our clients should enjoy high quality, practical legal advice at a reasonable price. Our aim is to work in partnership with you to provide solutions tailored to your individual needs.

Today's modern Royal Air Force is the UK's aerial, peacekeeping and fighting force. It's made up of impressive personnel from diverse backgrounds, working side-by-side to make a difference at home and abroad. Our primary role at home is to defend UK's airspace. We do this through reconnaissance, intelligence gathering, surveillance, and

cutting-edge technology that enable rapid responses. We may be a fighting force that provides flexible and specialized air power, but our role abroad includes more than that. Around the globe, we help police the skies and support peacekeeping and reconstruction initiatives. It's not always about our interests though. We provide humanitarian aid to victims of war and natural disasters, deliver life-saving shelters and food supplies, and even airlifting people to safety. The RAF is seen as a "Force for Good", whether it be protecting countries, providing relief and aid, thwarting terrorist actions or assisting UK agencies with national emergencies such as CV-19 and flood responses.

We have all-year-round vacancies in over 50 different job types both commissioned and non-commissioned. With more than 20 of these job types being offered as part of our award winning and OFSTED rated "Outstanding" apprentice scheme; including, logistics, catering, intelligence, engineering, air operations and human resources.

ScottishPower is part of the Iberdrola Group, a global energy company and a world leader in wind energy. We are securing affordable and clean energy, modernising networks to improve quality of service and increasing customer choice through digital enhancements to put our customers in control of their energy usage.

At ScottishPower, we work to attract diverse talent while developing a workplace that is supportive and open to everyone and we are very proud to support young people across the UK as they take their first steps into the world of work. We offer a wide range of successful apprenticeship schemes, scholarships, internships, summer placements and several social programmes to support individuals either entering the workplace for the first time or those returning after career breaks.

Skills Development Scotland (SDS) provide careers information, advice and guidance to school pupils, young people and adults. We support our customers to help them consider sustainable, rewarding careers. Our trained advisers can support with career planning, employability skills and have labour market knowledge.

You Can Be A Doctor is a Widening Participation Charity (Charity number SC046620) which supports and inspires pupils from disadvantaged backgrounds to study medicine. We run events across Scotland including Mock Interviews, personal statement checks and more. If you want to find about more about medicine as a career or aren't sure whether or not it's for you come find us at the fair!
