

Ever thought about a career in accountancy?

We are looking for bright, talented individuals who are curious to learn more about financial services and potentially join our ever-growing team.

If you're in S4 - S6 and would like to hear about a career in an exciting accounting practice, regardless of your experience or plans to go on to further education, come along and see what is possible. Parents and guardians are welcome to join students and learn more about the development opportunities at Johnston Carmichael.

Aberdeen

Tuesday 7 February
18:00 - 20:00

Edinburgh

Wednesday 8 February
18:00 - 20:00

Glasgow

Tuesday 7 February
18:00 - 20:00

Dundee

Wednesday 8 February
18:00 - 20:00

What we'll talk about?

We will showcase our core services available in each of the offices, with the opportunity to discuss possible career pathways with our colleagues who work in the local office, including:

1. **Tax:** help businesses and people pay the right amount of tax and plan for their future.
2. **Audit:** become a financial detective to investigate our client records and really demonstrate your worth.
3. **JC Wealth:** how we help our clients to live life on their terms with expert financial planning for the future.
4. **Business and Digital Advisory:** use your keen eye for detail and innovation to maximise financial potential for our clients' businesses.
5. **Restructuring:** develop the skills and experience to assist stakeholders of distressed companies or individuals to navigate through a period of financial challenge.

Sounds great, how do I sign up?

Find out more information and register for your place via Eventbrite [here](#).
