**NOTE:** All dates and links are accurate at time of release, 31 May 2023. However, event dates may be subject to changes or additions, checked all details on the university websites and follow social media links to remain current.

**SOURCE:** **Articulation** information is from individual institution websites while entry data is from [Scottish Funding Council University Outcome Agreements 2021-22](#). Where 2021-22 data is available and not marked at 'Targets' this is used, where this is not available 2020-21 data has been included. This is to give general indication of the volume of Higher National (HN) student entry via college and the level of articulation at each institution.

**Upcoming Events** – those events happening in the next 3 months - May, June, July - have been highlighted in yellow. This Guide will be updated in August 2023 removing event dates that have passed.
