## **You can help provide:**

**vital scientific research to help find a cure for heart disease**

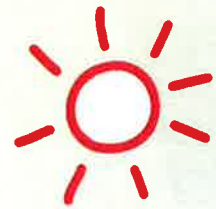

**heart nurses to care for people living with heart disease**

**the BHF Heart Helpline providing support and information from a Cardiac Nurse**

**vital diagnostic equipment and treatments**

**the teaching of emergency life-saving skills.**

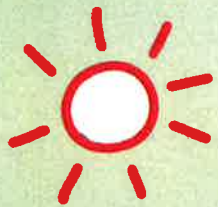

**Thank you.**

## Help us fight for every heartbeat

The British Heart Foundation (BHF) is the UK's leading heart charity. Every day we fight to save the lives of people suffering from heart disease. It's a fight that's taking place in your community, on your doorstep. We're fighting for you, your friends and your family. And with your help – that's local businesses, groups and organisations – it is a fight we can win.

Will you join us? Heart disease is the single biggest killer in the UK. Around one in three deaths are caused by heart and circulatory disease. By getting involved, you can help millions of people living with heart disease and help fund the research that could lead to a cure.

## Why help?

To continue this life-saving work your local BHF Furniture and Electrical store relies on the items people no longer need. 100% of proceeds from our stores go directly towards fighting heart and circulatory disease, so everything from a cardigan to a couch makes a difference.

Your lovely things will...

**help your customers** by providing a useful additional service at no extra cost to you

**reduce disposal costs** through our professionally organised and free collection service

**help the environment** (last year alone, 25,000 tonnes of furniture and textiles arrived at our stores instead of landfill sites)

**help give your business a boost with some great PR** (and we can help you highlight the charitable work you're doing)

**help provide vital care for people in your community**

**help bring your staff and colleagues together.**

1 lamp + sofa will fund a BHF researcher for a day

## How can you help?

By helping us source unwanted but saleable furniture and electrical items you will be helping to save lives. The items you donate will be recycled and re-sold through our stores and in turn generate much needed funds for the BHF.

## How can we help you, your staff and your customers?

- Perhaps you're in the process of a refurbishing job?
- Do you have any unsold stock you can't resell?
- Do your customers need some furniture taking away?
- Lost property gathering dust?

We can arrange a **FREE COLLECTION** at a time that suits you. We even offer a partial or whole house clearance service!\* Just give us a call on the number on the back of this leaflet.

## What else can you do?

Contact your local store manager and ask for some free leaflets to share with your clients, staff and customers.

\*A charge may be applied to our house clearance service depending on item size and quantity.

## What can we sell?

**Basically, any furniture you think is saleable or electrical items that still work!**

- ✓ Sofas, suites and chairs
- ✓ Beds and bedroom furniture
- ✓ Dining tables and chairs
- ✓ Coffee tables and side tables
- ✓ Homewares (pictures and mirrors)
- ✓ Office furniture
- ✓ Televisions, DVD players, radios and Hi-Fis
- ✓ Fridges, washing machines, microwaves and other appliances
- ✓ Also clothes, books, CDs, DVDs, shoes and accessories

**British Heart  
Foundation**

Heart disease is the UK's single biggest killer.

For over 50 years we've pioneered research that's transformed the lives of people living with heart and circulatory conditions. Our work has been central to the discoveries of vital treatments that are changing the fight against heart disease.

But so many people still need our help.

From babies born with life-threatening heart problems to the many Mums, Dads and Grandparents who survive a heart attack and endure the daily battles of heart failure.

Join our fight for every heartbeat in the UK. Every pound raised, minute of your time and donation to our shops will help make a difference to people's lives.
