Sun Cream

Parents are asked to provide sun cream/spray for their child whilst in the care of Cockenzie Primary School Nursery for more than four hours. The sun cream/spray should be labelled with the child's name and be within the use by date. Parents are asked to apply sun cream to their child before they arrive at nursery. However, given the Scottish climate, it may well be raining in the morning and sunny in the afternoon, or vice versa. For this reason parents are asked to sign a permission slip allowing staff to apply or re-apply sun cream if necessary.

Cockenzie Primary School Nursery do not keep sun cream on the premises for general use and can only apply a product supplied by parents/carers. We ask that your child's sun cream is left in their bag, on their peg, every day.

Child's Name:

I consent / do not consent to sun cream/spray being re applied to my child whilst at Wraparound.

Signed:
