Dear Parents / Carers

Sponsorship of our Whole School Calendar 2020

After the success of our whole school calendar over the past few years, P7 will be undertaking this venture again as an enterprise project.

Sponsorship:

We are looking for local businesses, groups or organisations to sponsor our calendar. We will be asking for £10 from you and in return we will advertise the business contact details as an advert on our calendar.

Do you know, or have, a business you would like advertised? If so, we would love to hear from you.

Please complete the form below and return to school in an envelope marked FAO P7 and then our Enterprise team will be in touch with you to organise payment and take this forward.

Please ensure all forms are returned to us no later than Friday 25th October.

Kind regards,

Mr Backe and Miss Sleven
