

It's Terrific Technologies Week! Let's get curious!

P1 Keeping Ourselves Safe

<p>Bubble Wrap Often our parents will say they want to wrap us in "bubble wrap".</p> <p>Would bubble wrap stop us from getting injured?</p> <p><i>If you have some at home trial this out!</i></p> <p>Can you create something that will stop us from getting hurt?</p>	<p>Road Safety Challenge Walk Go on a walk around your community and notice the different road safety signs.</p> <p>You will collect points for the following signs:</p> <p> - 1 point</p> <p> - 1 point</p> <p> - 2 points</p> <p> - 2 points</p> <p> - 3 points</p> <p>Total up your scores on the walk. Let your teacher know how many points you got!</p>	<p>A Spoonful of Sugar makes the Medicine go down Mary Poppins magical medicine is a variety of flavours: https://youtu.be/hUfNubVfFwo</p> <p>Think about a medicine that you sometimes have. Why does an adult give you medicine?</p> <p>Create your own medicine. Think about</p> <ul style="list-style-type: none"> - Flavour - What does it do? - How often do you take it? <p>You might want to make an advert about your ground breaking medicine!</p>	<p>Handwashing It is very important to wash your hands before you eat.</p> <p>Follow along with the Glasgow Science Centre's activity about germs and how soap helps! https://youtu.be/DGaLC4XBGo8</p> <p>Draw a comic strip of what happened!</p> <p>You could even video yourself doing this for your teacher or to send to other family members!</p>
<p>Den Building Design and create your dream safe den.</p> <p>What would it include? Where would it be? Why does it feel safe?</p> <p>You could even try and build it!</p>	<p>Our Community Think about how environmentally friendly your community is.</p> <p>Design and build your own Eco-friendly Cockenzie! Think about designing eco- friendly travel, shops and power.</p>	<p>Travel Seatbelts were invented by Volvo to make sure that people were safe when travelling in their cars.</p> <p>How do seatbelts work?</p> <p>Experiment with a hard-boiled egg, a car, some tape and a something to make a ramp! https://youtu.be/UmuJ6FouLvs</p> <p>Record your findings!</p>	<p>Playpark Unfortunately, we can't use our play parks at the moment. They are so important to keep us healthy and playing! Make sure you include important safety features!</p> <p>At home, design and build your dream play park as a model.</p> <p>Can you make a roundabout spin? How can you make swings? Would you create a new attraction at the play park?</p>
