

Parent Council Action Points August 2021

Date	Action Point	Owner	Open/ Closed	By	Comments
25/05/21	Playground painting Tables Murals Games Animals on the white wall representing the school values. Anti graffiti paint?	Sarah C Louise Lynda	Open	Oct 21	Painting has started, still need some donations of white masonry paint. Colourful paint has been added to the top of the boundary wall. Some tables and loose parts shed have been and brightly painted, more still to do. Shout out to local community via facebook for donations of paint. We need to consider varnish to ensure longevity
25/05/21	Gift from Brownies	Louise Lynda	Open	Sept 21	Mosaics that have been made by the brownies to be mounted.
25/08/21	Bunting	Heather / Lynda	Open	Sept 21	Lynda will check on where the bunting that Heather has made as a donation to the school can go. 40 metres and can be for external use.
25/05/21	Willow Den	Claire Anne Lynda	Open	Oct 21	Janitors have removed all the old plastic bottles, ground is being prepared. Gradual planting of willow Watering schedule to be confirmed. Anne T has extra watering cans the school can have, and the children can take over watering. Does outside tap work so the children can do this? Anne and Claire to try and establish cuttings at home. Anne will dig a trench for planting at the site.
25/08/21	The Fort and Planters	All members / Lynda	Open	Oct 21	The Fort and planters needs to be tidied up, weeded and painted. Could we replace the planter that had to be removed? Update: several volunteers have met and via the new "Playground Improvement" Facebook group. One parent bringing along a power strimmer and petrol lawnmower resulted in an amazing improvement and a lot of hard work from him. A local joiner and grandparent supporter is going to make some repairs in Quiet Garden and Fort.

25/08/21	The Quiet Garden	All members / Lynda	Open	Oct 21	<p>Massive tidy and cut back required of shrubs, new willow den area and many weeds need pulled up.</p> <p>Update: Work carried out over weekend of 28/29th August has a big impact on this.</p>
25/08/21	Dates for forthcoming meetings	Claire Marie Lynda	Open	Sept 20	Dates for future meetings to be confirmed
25/08/21	Ongoing Planting plan 2021/22	Anne / All	Open	Spring 2022	<p>Evergreen, hardy plants need to be sourced for Fort Planters. Anne T has asked Cockenzie in Bloom for advice, possible donation of any spare plants for this.</p> <p>Poppy heads have been saved for drying out and seeds will be planted all around the external boundary of nursery fence. This needs weeded (waiting into October to weed this boundary so the ground is softer and the weeds easier to lift)</p> <p>More bulbs required in Autumn, not sure how we can fund this at the moment.</p> <p>Once volunteers are allowed in school another grandparent may be available to co-ordinate and work with kids in school time, watering the willow, planting and engaging with seed to plate and Cockenzie in Bloom.</p> <p>Our volunteer joiner Dougie may also be able to get pallets, we can ask local handy people if they will make a pallet for us for planting up, to be placed alongside the white wall to complement the artwork.</p>
