

# Preston Lodge

## High School

25 April 2022

Dear Parent/Carer

### **P7 Transition Programme**

We have enjoyed seeing all the children in Goggle Meetings over the past term. The good news is that life is coming back to our school communities. Our transition process can return to the pre-Covid model and we are looking forward to welcoming our new S1 students for the coming year. We are excited about the opportunities we have to get to know your child in person and share information about Preston Lodge High School.

We have organised a range of activities to support what can be a daunting next step for children. The events that are taking place are as follows:

### **Weeks beginning 9 May and 16 May 2022**

Guidance staff and pupils to visit each of the P7 classes.

### **12 May**

P7 Outdoor Challenge Day to be held at Musselburgh Lagoons. This event will take place from 10am – 2.15pm. The students will be taking part in group challenges throughout the day. Students will be transported via bus to and from their primary school and Musselburgh Lagoons. Further information will be shared nearer the date.

### **22-24 June**

3 Day Visit – Students will come to Preston Lodge High School and experience their new class, follow their new timetable and spend time with their new Guidance Teacher.

### **23 June 6.45 pm**

P7 Parents' Evening. This will be an opportunity for you to find out further information in preparation for students beginning their first year at high school.

Further information will be issued nearer the date. If you have further questions at the minute please do not hesitate to call me for more details.

Yours faithfully

Laura Martin  
Depute Head Teacher
