Deadline for 2019-20 PU Cohort
 We are extending the deadline for PU sign-off until 31 December 2020 for the 2019-20 cohort. There is likely to be some challenge for all within this cohort to complete within the usual timescale, so this arrangement now applies to all who are due for PU sign-off this session. (19/08/2020)

If it is your member of staff's PU year, they would 'share' their records and click on the 'submit' button – against their name you will see the word 'confirm'. You would right click on their name to view their PL records.

If your member of staff is just 'sharing' the PL records for their yearly PRD meeting with you, it will still sit as 'ongoing – wait' but you can right click on their name and you will be able to view their PL records.
