And that is only one thing that we can learn from Wales! Educational developments there have been a source of massive interest. As Scotland examines what we are doing and how we might do it better what could, and should, we learn from Wales and beyond?</p> <p>This conversation features <b>Graham Donaldson</b> on whose review the Welsh reforms are based and who remains the key adviser to the Welsh government. Graham was Chief Inspector in Scotland and led Education Scotland and is a member of the International Council of Education Advisers to the Scottish Government, so he brings a unique perspective to this discussion.</p> <p>We are also bringing back Creative Conversation favourite: <b>Hywel Roberts</b> who has been working in Wales and will bring his own unique perspective and style to the discussion.</p> <p>We are confident that this conversation, like others, will be over-subscribed.</p> <p>Sign up here: <a href="#">Creative Conversation: Without You</a></p>	<p><b>4.15 - 4.30</b></p> <p><b>Join</b></p> <p><b>(bring coffee and biscuits or a refreshment of your choice)</b></p> <p><b>4.30 – 6ish</b></p> <p><b>Creative Conversation</b></p>	<p><b>Microsoft Teams</b></p> <p><b>Sign-up on <a href="#">Eventbrite</a></b></p> <p><b>by noon on Tuesday 18<sup>th</sup> May</b></p> <p><b>and the link to join will be emailed to you</b></p>
