

Apprenticeships with British Telecom

British Telecom is currently advertising apprenticeships in Engineering and Information Technology in the Edinburgh area.

Requirements for different levels of apprenticeship

For entry to an Advanced Apprenticeship you must have or expect to gain a minimum of 4 National 5s including English and Maths (Maths B for Engineering).

For entry to a Higher Apprenticeship you must have or expect to gain a minimum of 2 Highers (A-C). Applicants for Engineering apprenticeships must also hold full manual driving licence.

How to apply

For full details of these opportunities and to apply go to

<http://www.btplc.com/Careercentre/Ourlocations/UK/Apprenticeships/index.htm>

Closing date

There is no set closing date. Apply as soon as possible as the advert will close once all vacancies have been filled for that programme.
