Dunbar Grammar School

Permission for Photography and Video Recording

(Over 12s)

We would like you to include you in photos or videos of your learning activities. This helps make learning interesting, and lets you develop your skills in using digital technologies.

Images or recordings could be kept private, shared or published depending on their purpose. Sharing destinations could include cloud storage for class work e.g. on presentations; CD and DVD disks, or school web sites and social network web pages.

Please complete, sign and date this form.

I agree that photos or videos of me can be used in digital projects and may be shared in print and/or digitally, including on the public web.
