

### EXAM BOOSTER SESSIONS 2019

Exam booster sessions have been organised to help you revise before each of your exams. A teacher from each of the departments will be available to you for one whole day to help you with revision, mark your work and go over last minute exam skills.

The table below outlines when the exam booster sessions will take place for each of the subjects and also the exams that are on that day. More information about how each of the sessions will be structured will be outlined by your subject teachers.
