

Senior Phase Course Choice

Here is an important message from East Lothian Works regarding information to help with course choices / opportunities after school. Please contact your Guidance Teacher if you need more information.

In light of the current restrictions and not being able to come into schools to host information sessions on our offers East Lothian Works have scheduled some virtual events. They will host 5 events covering Foundation Apprenticeships, SCP, Full Time College, Post School Opportunities (MA, EF, Trainee Opportunities) and Employment Support (CV Building, Interview Prep, Job Opportunities) The aim of the events is to provide information to pupils and parents around what these areas are and how they can support young people wishing to explore or apply for any of these opportunities.

The events will be hosted on Google Meet to allow pupils to access through their edubuzz accounts.

The first event will be Foundation Apprenticeships on Wednesday 27th January, 5:30 – 6pm. The link for the meeting is -

Google Classroom Drop In

The classroom is now live and we have a staff member covering the school day to help with any questions pupils may have around digital learning. Class code – tbkj35j
