

How To Pass : Nat 5 English

1. Basics

2. Coursework

3. Exams

4. Home Learning and Revision

Basics

- Attend all classes
- Catch-up when you are absent
- Full effort in class time
- Organised folders and digital resources
- Prioritise home learning
- Ask for help!

Coursework

- **Folio Requirements:**
- Portfolio essay – submitted to SQA for marking.
- One essay worth 30 marks.

Assistance with Folio Work

- Advice from SQA

It is acceptable for a teacher or lecturer to provide:

- ◆ an initial discussion with the candidate on the selection of a topic, theme, genre, leading to an outline plan
- ◆ written or oral feedback on one draft of writing

It is not acceptable for a teacher or lecturer to provide:

- ◆ model answers which are specific to a candidate's task
- ◆ specific advice on how to re-phrase wording
- ◆ key ideas, or a specific structure or plan
- ◆ corrections of errors in spelling and punctuation
- ◆ feedback on more than one draft of writing

Assistance from Parents/Guardians

- Parents or guardians could assist by discussing the choice of topic with the pupil.
- Discussing/questioning the range and validity of the points a pupil might make and asking questions about the issue.
- Encouraging pupils to edit and proofread their work.
- Reminding pupils to put final draft on template.
- **SQA stipulates: “The portfolio is a final summative task and when a candidate begins the process of drafting their pieces of writing, this must be done under the supervision of the teacher. At this point, no other person can be involved in the discussion or review of the candidate’s work.”**

Authenticity/Avoiding Plagiarism

- **SQA:** “The final responsibility rests with the pupils to confirm that the pieces are genuinely their own work.”
- Pupils are asked to sign folio cover sheets confirming that the work they are submitting is entirely their own and that any sources/information they have used is clearly marked and credited at the end of their essays.
- Pupils are asked to bring in their research notes and essay plans. First drafts should be based on this research and teacher/pupil discussions.

- **Template:**
- A template for the folio essays is provided by the SQA and must be used. However, essays can be handwritten onto the template.
- Can be accessed online and essays cut and pasted onto the template.
- Essays can also be handwritten onto the template if computer access is not possible.

Deadlines for Folio Essays

- Deadlines for the folio essay will be given out by class teachers
