17th November 2021

Dear Parent/Carer

‘How to Pass’ Parent Information Evening – 17th November 2021, 6pm-8pm

In order to support pupil learning and success in the SQA exams, Dunbar Grammar School is holding an information evening for all parents and carers of pupils sitting National 5s and Higher qualifications in May 2021.

The evening will happen online and is intended to inform parents and carers of S4/5/6 pupils about the courses their children are studying, the assessments, course materials, timelines, and how they can help their child to achieve their potential in their exams. More specifically, this will include a subject specific focus on strategies and techniques that pupils can utilise to develop their learning at home.

Most certificated subjects will be represented by a wide range of teachers on the night. Please discuss with your child which subjects are most relevant to them. Each information session will last 15-20 minutes and will consist of a short presentation from each department followed by an opportunity to ask teachers any questions about how pupils can be supported through the remainder of a challenging year. Timings and google links will be sent out on Monday 15th November. We would also like to encourage pupils to attend the event.

You will be warmly welcomed to the event by Mrs Slowther in a very short presentation at the start: <https://meet.google.com/fyu-xrow-fey?hs=122&authuser=0>
We look forward to working with you to help maximise your child’s potential.

Yours sincerely

Richard Maxton
Depute Head Teacher

How to Pass Evening – General Information
