YOU CAN DO IT

CAN DO VOLUNTEERING!

Can Do is an exceptional East Lothian charity providing school holiday playschemes and weekly youth clubs for local disabled children and young people.

Can Do could not exist without our brilliant team of volunteers. By joining us as a volunteer on our school holiday playschemes or weekly youth clubs you will learn loads of amazing new skills, build some brilliant bonds and friendships, and experience genuine personal development. Not only that, but you'll be helping local children and young people with additional support needs to have lots of fun, and giving their families a bit of a break.

We're looking for volunteers with a real "can do" approach. So if you are over the age of 15, have got energy, commitment and are up for some fun, we'll provide you with full training and volunteer expenses.

Many Can Do volunteers stay with us for years and Can Do is good for your CV too - many ex-volunteers have gone on to careers in social care, education or health.
