5th April 2022

Dear parent/carer

Exam booster sessions have been organised to help your young person revise before each of their exams. A teacher from each of the departments will be available to help them for half a day to help them with revision, mark their work and go over last minute exam skills.

The table below outlines when the exam booster sessions will take place for each of the subjects and also the exams that are on that day. More information about how each of the sessions will be structured and specific timings will be outlined by their subject teachers and sent to them by edubuzz or through Google classroom.

Students will be expected to attend these sessions in school uniform.

Date	Exam Booster Session		Exam
	AM	PM	
Mon 25 th April	Politics Geography	Geography Photography	No Exam
