

School Uniform for 2021-22

Our reasons for promoting school uniform can be summarised as follows:

Security – uniform allows visitors/strangers in the school to be immediately identified.

Equality – uniform provides a level playing field for all students.

Identity – uniform reinforces a sense of community and pride in the school.

Work ethos – Dunbar Grammar School is a place of work. Uniform helps to create an ethos of purposeful activity.

Uniform is monitored throughout the year by register teachers. It is particularly important that every student in Dunbar Grammar School always wears an item of clothing, which readily identifies them as members of the school i.e., tie, DGS polo shirt or DGS sweatshirt or DGS blazer.
