Dear Director,

### National e-Learning Offer: e-Sgoil Evening Study Support Webinars

I'm writing to outline the NeLO/e-Sgoil evening Study Support programme for 2022/23, and to ask for your help in disseminating information about the programme to all secondary schools in your local authority area.

Study Support comprises live, interactive webinars focussed on Senior Phase courses. Webinars are delivered by experienced, GTCS registered teachers. 50 different webinars are on offer each week during term time, covering all the larger subject areas as well as an extensive range of other subjects. The service is focussed on delivering equitable access to all learners in Scotland and is completely free.

As part of the Study Support service, we can provide regular updates on registration data at local authority and school level. Some schools and local authorities have found this data to be very useful in promoting the service and encouraging youngsters to sign up. Please let us know if you would like to make use of this data.

Please find links below which will enable schools to promote the offer:

Registration is now open. The link to the registration and information page on the e-Sgoil website is [here](#)

Please also find information on [how to register](#) as well as [support for learners](#) in local authorities not routinely using Glow.

If you have any questions or queries, please get in touch with us here at e-Sgoil.

With all best wishes.
