Signalong is a signing system (based on British Sign Language) which has been developed for use with children and adults with communication and/or learning disabilities.

This introductory course aims to help participants learn the basic principles of signing and increase their knowledge of the vocabulary within the Phase 1 manual.

This course is registered with the Signalong Group. A certificate from Signalong will be available for those that complete the course (cost £5.00).

**You will need access to a Signalong Basic Vocabulary Phase 1 manual for every session. These can be purchased before the course from [www.Signalong.org.uk](http://www.Signalong.org.uk)**

**You must be able to join the course using a desktop or laptop computer with a webcam and microphone, a mobile phone is not suitable to be used for the course.**
