

In literacy we aim to...

- Practise writing cursive letters and red words (see reading books)
- Be super speedy with our sounds!
- Explore non-fiction texts
- Write a daily diary including the full day and month (remember capital letters, full stops and finger spaces)
- Tune in to bbc school radio cfe first level or KS1
<https://www.bbc.co.uk/programmes/p007g5y4>

Home Learning for P2

In Health & Wellbeing we aim to...

- Help with household chores to keep active indoors
- Develop coordination and control with a ball
- Talk about healthy foods and help prepare healthy meals
- Show kindness towards others
- Relax with some cosmic kids yoga, search on YouTube

In Numeracy we aim to...

- Count forwards and backwards from a given number within 120
 - Read and write numbers to 120
 - Add and subtract speedily within 20
 - Demonstrate arrays and equal sharing
 - Talk about fractions halves and quarters

Across the curriculum...

- Look at some famous artists work - share opinions & try your own versions
 - Perfect time to practise self help skills at home to develop independence
 - Explore coins and money, recognising them and adding them together
 - Explore telling the time to o'clock and half past with analogue and digital
 - Use non-standard units to measure things around the house (e.g. use pegs to measure the kitchen table!)

Useful websites to help...

Twinkl.co.uk will let you have a free subscription to help at home - a fantastic range of resources! Put in this 'offer code': UKTWINKLHELPS

Topmarks.co.uk is great for some educational screen time - great maths & literacy games

ICTgames.com

YouTube - Jack Hartmann does song great videos/songs about all sorts of learning!
