

Dear Parents and Carers

This newsletter is intended to let you know about the key areas we will be focusing on during this planning block in Primary 2

Literacy

We are learning

To share and explain our opinions when it comes to a text.

To form my letters and pieces of writing correctly.

How to create and write a story.

To recognise and use more blends in phonics.

To develop our inference skills.

To spell common words.

Numeracy and Mathematics

We are learning

How to combine and partition with the range 1-10.

Counting and sequencing in 2's 5's and 10's (forwards and backwards.)

How to share and add equal groups.

How to recognise and create symmetrical patterns, shapes and pictures.

To recognise and describe 3D and 2D objects and shapes.

Class Primary 2

Other Curricular Areas

We are learning

How to use different techniques to create pieces of art.

How to effectively perform in front of an audience.

How to control our movements and balance.

How to keep myself healthy: food and drink.

To understand myself: my body, my relationships and what makes me unique.

New French words and phrases.

How to use basic feature of a Chromebook.

Other News

Our class topic for this term is Fairytales - this will have strong links to Literacy, Art, RME and Drama.

We have a whole school health and wellbeing focus until the February break exploring a range of aspects of this subject area.

As a school we will also be exploring Fairtrade during Fairtrade Fortnight - we will be working with Field to Fork.

Can you at home..... Please continue to do weekly homework, both spelling words and a piece of numeracy. Please also continue to read with your child as much as possible.
