

National Parents' Day

Monday 1st June

According to the United Nations, the 1st of June is the 'Global Day of Parents'. All families are different, unique and special so these tasks will help you to say a big thank you to whoever takes care of you at home. See if you can pick some activities from the grid below to put a smile on the faces of the important people who look after you. Some of these tasks might require sibling team work.

Please do not use the cooker or carry hot liquids without an adult being with you. This will help to keep everyone safe!

<p>Breakfast in Bed</p> <p>Can you plan and prepare a breakfast in bed treat for your grown up? You might need to wait until the weekend if they are working! Think about how you could make it extra special. Be careful if you are making/carrying hot liquids!</p>	<p>A BIG thank you</p> <p>Can you get creative and think of a way you can show your adults at home how much you care about them? It could be a card, a picture, a painting etc. Make sure it shows them how much you love them!</p>	<p>I-O-U</p> <p>Can you write three promises to your grown up at home and give them as an I-O-U (I owe you). For example 'I owe you a tidy bedroom', 'I owe you a hug', 'I owe you a cup of tea'. They can use these at any time so make sure it is a promise you can keep!</p>
<p>Tidy Fairy</p> <p>Can you complete a household chore without being asked? Maybe you could tidy your room or fold some clothes!</p>	<p>Dinner for everyone!</p> <p>Can you help to prepare the dinner for your family? Make sure you ask an adult before completing this task!</p>	<p>Secret Notes</p> <p>Write five secret notes telling your adults at home why you love them. Hide them around the house and see if they can find them!</p>
<p>Something Sweet</p> <p>Can you have a go at baking something tasty to put a smile on your grown up's faces? Remember to ask someone before you do this yourself!</p>	<p>Quiet Time</p> <p>Can you find something to do in your house to give your adults some quiet time? Maybe you could read a book or look after younger siblings!</p>	<p>Choose your own!</p> <p>...or maybe you have your own ideas of how to celebrate National Parents' Day? Share them with us on twitter and on your Google Classrooms!</p>
