

How to access the ActivInspire Resource Folder

Go to Education Exchange shortcut

Primary schools: Internet Explorer / Favourites

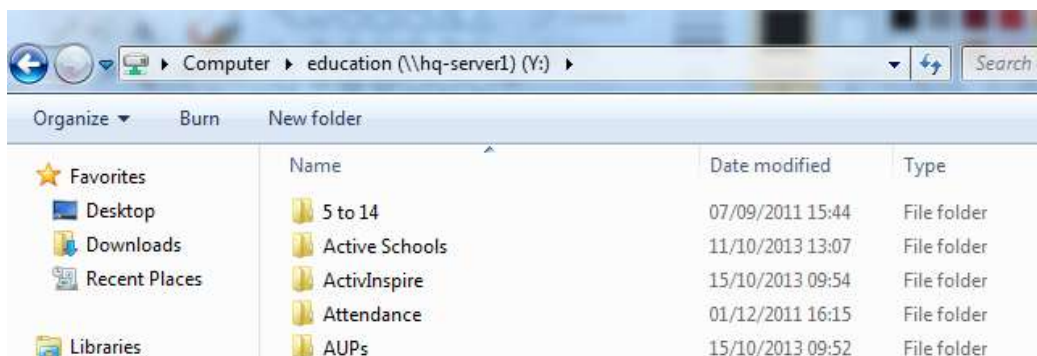

Secondary schools:

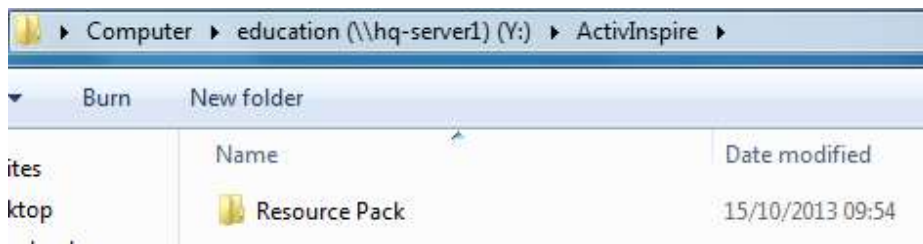

□

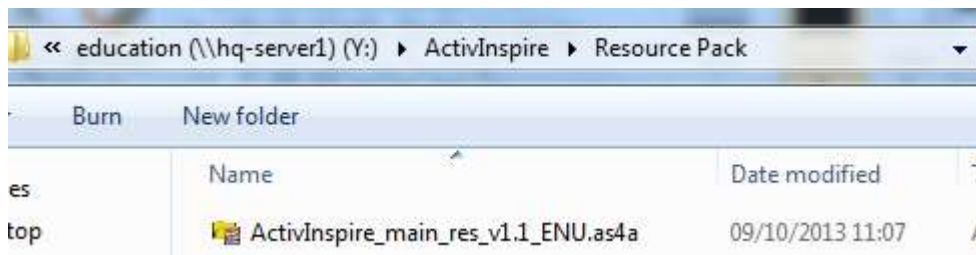

Click on ActivInspire folder

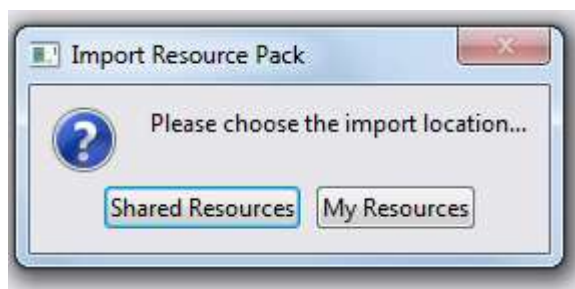

Click on Resource Pack folder

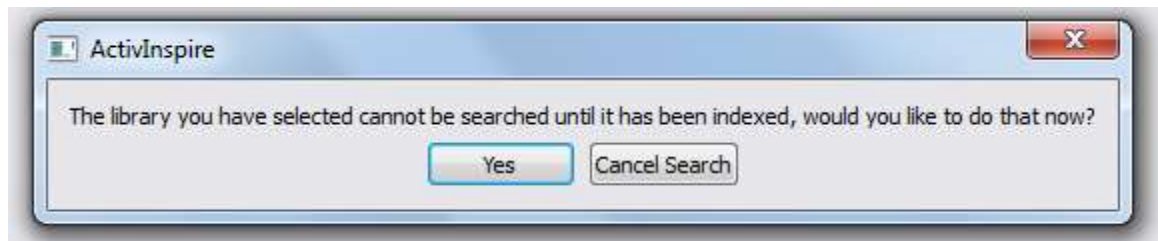

Click on ActivInspire_main_res_v1.1_ENU.as4a

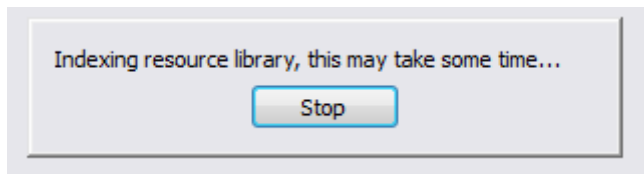

Choose Shared Resources

You will then be asked to index the resource library, click Yes

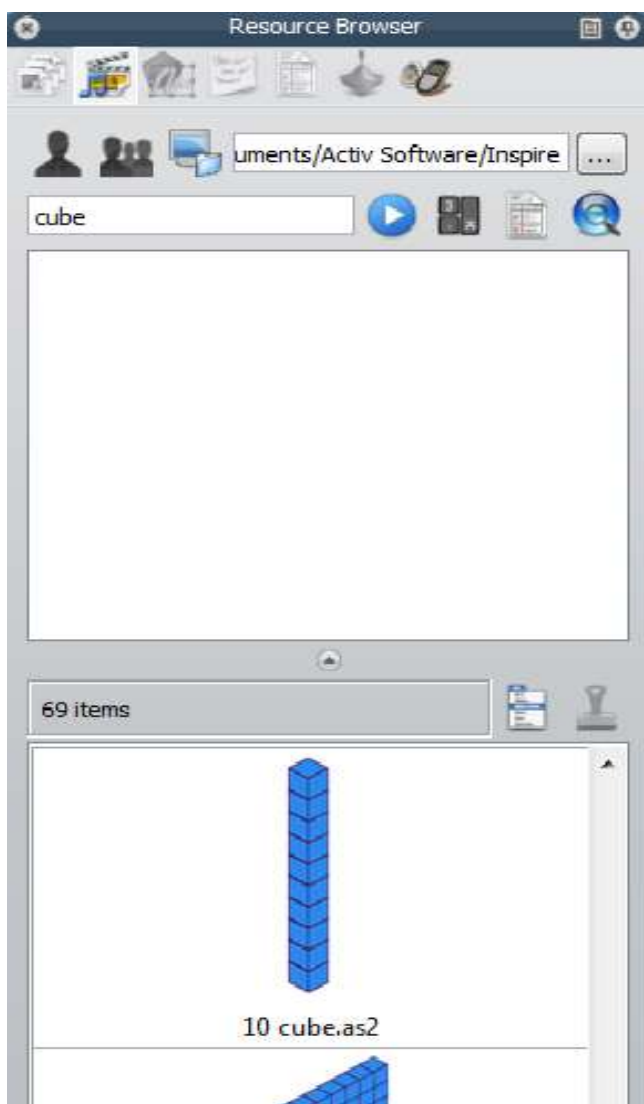

This will take a few minutes.

You will now have the resources that were available in previous versions of the software. If you type in 'cube' in the Resource Browser search box you all the resources relating to cubes will appear.
