3rd June 2021

Dear Families, Parents and Carers.

I am writing to share with you all that, after very careful consideration, Mrs Pearson has taken the difficult, personal, decision to leave Humbie Primary School as Principal Teacher at the end of this school year. Mrs Pearson has decided to reduce her working hours and, from August 2021, will undertake a Principal Teacher job share with Miss Tuke at Saltoun Primary School. Mrs Pearson's last day with us in Humbie will be on the 25th June 2021.

Whilst it is sad for us to say goodbye to Mrs Pearson after nearly 6 years at Humbie Primary, we all wish her well in her new role at Saltoun Primary. We are very grateful for Mrs Pearson's many contributions to our school and the Humbie community, and know she will remain a valued friend to our school and the Humbie Community in the future.

Our recruitment process to fill the Principal Teacher post is underway. Our advert will go live tomorrow, and we hope to interview during the 2nd last week of term. I will provide you with a recruitment update as soon as I can.

I know that this is sad and unexpected news, but I know that you will join me in wishing Mrs Pearson much success in her new role.

Kind regards

Debby Crossan
