

# Meet our P1-7 and Principal Teacher

## Mr McNeill

### ALL ABOUT ME

I live in Haddington with my wife, 3 teenage children and our cat, IVY MAE. I like to be active and enjoy running, playing football and coaching rugby. I also like to have a wee DIY project going on around the house, though I would confess to being a bit of a perfectionist!

**My favourite...**

**Colour:** blue

**Movie:** The Wizard of Oz

**Food:** Cake, who doesn't like cake right?

**Animal:** penguins

**Subject:** art

**School and me** I'm really excited to be joining Humber Primary as Principal Teacher. I love working with children and being a teacher is all I've ever wanted to do since I was little. I love lots of things about schools, but I'm particularly interested in developing creativity in children.
