### ALL ABOUT ME

I live in Pencaitland with my husband and 3 boys. JACK who is 12, Ollie who is 9 and Arran who is 7. We have 2 cocker spaniel dogs called Ben and Finn and a cat called Milo. AS a family, we love nothing more than exploring the county we live in. our favourite places are the Lammermuir hills, seacliff beach and Butterdean woods. Having 3 boys, it's important to keep them busy and there no better way for us than being out in nature. In my spare time I like to watch JACK playing football, look after my garden and spending time with my family.

### School and me

Becoming a mum sparked my interest in childcare and I have spent the last 11 years either being a mum or caring for children in a nursery setting. It is more than a job and I treat the children as I would expect my own to be treated. I love the development in their learning, in their personalities and in their own confidence and abilities from the minute they walk through the door until they leave to go to school. It is a privilege to be on that journey with them! I am proud to be part of #TeamHumbie and the strong community feel that the village has.
