

what's left?

Knowledge By The Senses inc. Prejudice

can i really doubt that?

but sometimes 'they' get it wrong - when far away etc.

seeing things 'up close and in good light' still ok

but you could in fact be dreaming

things that are 'very simple & very general'

is anything left?

this is why he uses the demon

*this 'stratification' of doubt suggests the 'foundational' (*39) understanding of knowledge that is to follow in later meditations...*
