

# Children Inc. East Lothian

We are a new project funded by  in June 2016; working with families who have a child/children with additional support needs.

We want to enable these families to participate more in the community by ensuring that activities, opportunities and resources are tailored to the wants and needs of their children.

We have already made contact with 26 families and need your support to reach more. Help us make East Lothian a more inclusive place.
