

Dear Parents and Carers

Thank you for attending the information sessions and tours over the past few days. It was wonderful to welcome so many of you to our school. I'm sure you were pleased to be able to see around the school building and visit the Primary 1 area.

Please find attached documents that will help you to prepare for your child starting Primary 1 in August. I am sharing with you:

- Presentation slides from our information sessions;
- The updated Primary 1 Handbook;
- 'Welcome to Primary 1' photo slides to help your child to recognise areas of the school;
- The school plan PDF to help you to find your way
- P1 parent and Carer Finding your way around school slides

I am also pleased to share the Transition to Primary 1 May 2022 website link with you. Please click here to access this site <https://sites.google.com/edubuzz.org/transition-to-p1-may-2022/home>

All of these documents are also being uploaded to our school website.

As you know, we currently have two vacancies for class teachers in Primary 1. Work on our staff model continues and information will be shared with you as soon as possible.

Please do not hesitate to contact me should you need any further information.

I look forward to seeing you at your child's Stay and Play session.

With all best wishes

Ailsa Swinburne
