

Our School Improvement Plan 2018 - 2019

I can contribute and post my learning and events on our school blog and twitter.

My school is planning to become a Gold Level Rights Respecting School.

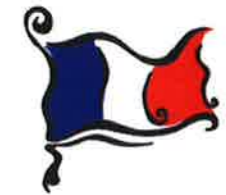

I can use my pupil voice to evaluate how good my school is using HGIOS 4.

My school is focusing on improving my literacy skills, particular in group discussion and writing and reading.

I can use basic French vocabulary and am growing in confidence when using it.

I am learning about restorative practice and how I can use it to resolve conflict.

I am contributing to my school by making sure we all understand our vision, values and aims.

ME

I can share my wider achievements and reflect on them.

I can talk about my social and emotional wellbeing using the ICE PACK as a learning tool.

I am learning how to use the Chrome Books to enhance my learning in all areas.

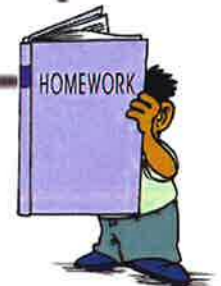

I can contribute to our playground and lunch hall charter ensuring the wellbeing indicators are being met.

My school is continuing to work towards promoting active numeracy in order to ensure challenge and enjoyment.

I am learning about skills I will need for the work place and exploring all the different types of jobs that there are.

I can contribute towards the development of a whole school homework Policy,
